

COVID PLAN for All Stars

The following steps will be implemented to assist preventing transmission of COVID.

Guidelines for Players and Parents.

- ✓ Players should stay home if they are sick or displaying symptoms of a cold / flu,
- ✓ Players need to cover their mouth and nose with flexed elbow or tissue when coughing or sneezing and dispose of used tissue immediately,
- ✓ Please consider using the Government “COVID Safe App”,
- ✓ Players and parents need to report to the Registration Desk immediately upon arriving at the club, (a table is kept inside the clubhouse and the changeroom – this is to be put out during set, ready for scanning and after every game it is to be returned (if you are the last team at the park
- ✓ Players and parents must use hand sanitizer before entering and leaving the club,
- ✓ Adults must not gather in and around field entrances or exits or enter the field unless requested,
- ✓ Players are requested to bring their own water and personal baseball equipment, and
- ✓ Players and supporters are requested to not linger at the club after the session has finished and comply with social distancing

The club has undertaken to:

- frequently clean touched surfaces and objects,
- promote social distancing and ensure dugouts and change rooms are not used by players,
- place hand sanitizers / soap in toilets and near field entrances where possible,
- to contact parents or carers to collect any player who becomes unwell while at the club,
- restrict access to fields by adults, including parents, carers and visitors, and
- any loaned equipment will be kept separate and cleaned in preparation for future use.

As Coaches/Manager, we will ensure:

- physical distancing of 1.5 metres by all coaches (where possible),
- cleaning of shared equipment prior to and after use,
- that hand sanitiser will be available before and after the club session,
- that attendance (players and supporters) to the session will recorded and kept as a club record,
- Players will be encouraged to use their own equipment and not share items such as bating helmets, gloves or bats, and
- Players who are unwell will be kept separate from the rest of the group
